

Multi-purpose LFP Battery

Product Features

High Security

- High safety phosphate lithium cell
- Intelligent BMS, prevents overcharge and overdischarge, overtemperature, etc.

Long-life

- Even after discharging it completely more than 4000 cycles, and 80% of the capacity remains

Multi-purpose

- Applied in areas with poor power infrastructure, off-grid application, UPS/telecom, outdoor portable applications, RVs, yachts, camping, etc.
